關於 About “Lipstick Lex”

Lex原名Alexis Fraser，來自美國佛羅里達，自少習畫並喜歡用不同的方法創作藝術。2012年，她在創作瑪麗蓮夢露的畫像時得到啟發，創出用唇印及唇膏繪畫的獨特風格，突破傳統框框。其後以Lipstick Lex的名義創作了一系列獨一無二的「唇印」作品，近年更於YOUTUBE及社交媒體走紅。Lex曾在日本、歐洲、加拿大和美國舉辦展覽；並到各地演講，介紹她的創作理念。

Alexis Fraser, a.k.a. Lipstick Lex, is an artist from the United States, Florida. Starting at an early age, Lex enjoyed and excelled at creating art in fun and interesting methods. Back in 2012 Lex was challenged to create a portrait of Marilyn Monroe, utilizing a non-traditional method that would still correlate with Marilyn. Utilizing 100% lipstick and her fair share of kiss prints, Lex soon launched her alternative contemporary art brand, “Lipstick Lex”! Videos showing her unique lipstick painting skills have also gone viral in Youtube and other social media platforms. Lex has previously exhibited her works in Japan, Europe, Canada and the United States; and has held speaking engagements discussing her artworks mission.
